

HOW TO FACTORY RESET : APPLE TV BOX

STEP 1

On your Apple TV, go to Settings > System > Reset

STEP 2

You will be presented with 2 options (Reset, Reset & Update)

Select 'Reset'

STEP 3

Keep your Apple TV plugged into power until the reset process finishes. Then you can set up your Apple TV again.

INSTALLATION GUIDE

STEP 1

Please follow the below steps to set up your Apple TV box to demo EE TV:

1

Data & Privacy

This icon appears when an Apple app or feature is asking to use your personal information.

You won't see this icon with every feature since Apple only collects this information when it's needed to enable features, to secure our services or to improve your experience.

Continue

2

Automatically Set Up Your Apple TV

Use your iPhone or iPad to automatically add your Apple ID, Wi-Fi and other settings. Or set up manually with your remote.

Set Up Manually

3

Siri & Dictation

Siri helps you get things done just by asking. You can search for films, enable closed captioning, check the weather and more.

Select:

Don't Use Siri

4

Apple ID

If you have an Apple ID, enter it here. If you don't, or forgot your Apple ID or password, go to [appleid.apple.com](#).

Email or Phone Number

Password

Use different Apple IDs for iTunes and iCloud?

Skip This Step

5

Location Services

Location Services allows Apple TV and apps to gather and use data based on the location of your Apple TV.

Select:

Disable Location Services

6

Analytics

Help Apple improve its products and services by automatically sending analytics data. Analytics data may include your location information. You can also help App Developers improve their apps by choosing to share your app activity and crash data with them through Apple.

Select:

Don't Send

7

Terms and Conditions

Use of your Apple TV, its software and related services is subject to these Terms and Conditions. Read them carefully.

Select:

Agree

8

Have a TV Provider?

Sign in once to access all the apps supported by your cable or TV subscription at no additional charge.
