

TAKE THE TENSIONS OUT OF TELLY CHOOSING A SKY SUBSCRIPTION

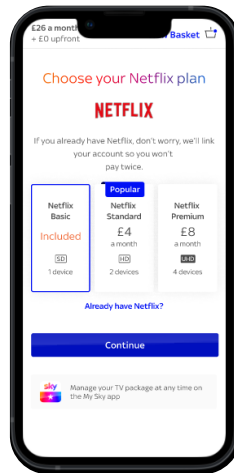

1

Once your customer has received their unique link, they'll be asked to confirm their details

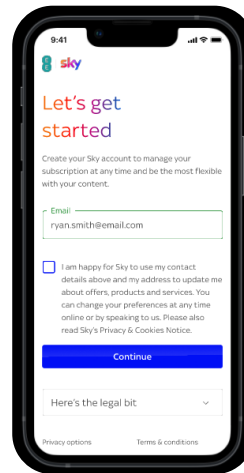

2

They'll be able to select their TV package & plan length

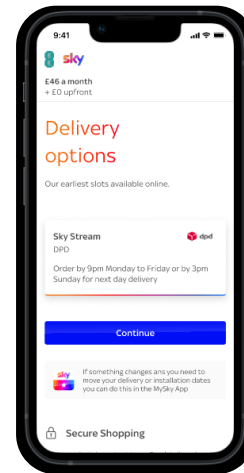

3

They can add on any extras like Netflix

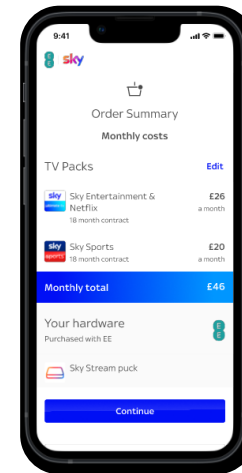

4

Once they've confirmed their plan, they'll need to create a Sky account

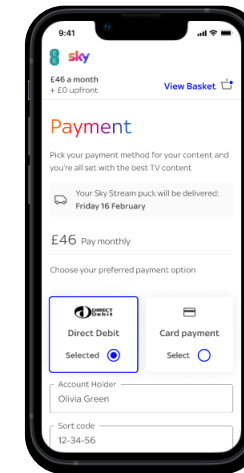

5

Sky will display the delivery options

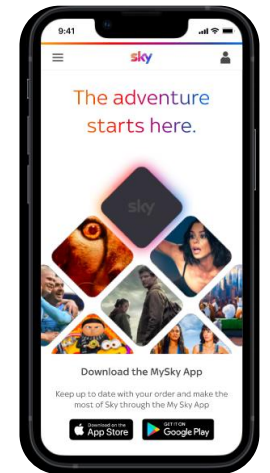

6

Customers will be able to see a summary of their order

7

They'll then need to input their direct debit details for their TV plan

8

They've finished their order. They should download the MySky App to get updates on their order
